

# NCR LAUNCH WATCH

*Delhi NCR Real Estate Intelligence*

November 10, 2025

Dear Reader,

This week's edition covers major developments across Delhi NCR's real estate landscape, from luxury launches to infrastructure breakthroughs that are reshaping the region's property market.

*A concise overview of fresh launches and key developments across Delhi NCR.*

## GURGAON

---

### **M3M India to Invest 7,200 crore in Gurgaon International City**

M3M India plans to invest ₹7,200 crore in Gurgaon International City, expecting revenue of ₹12,000 crore. The integrated township is being developed in partnership with Smartworld in Manesar.

### **DLF reports strong luxury Sales worth ₹1,600 crore**

DLF sold 221 super-luxury flats worth ₹1,600 crore in its The Dahlias project at DLF Phase 5. The sales reflect robust demand in Gurugram's premium housing segment.

## **Zomato expands office footprint with 270,000 sq ft lease**

Zomato has leased 270,000 sq ft at Tata Realty's Intellion Park and is in talks for additional 1 million sq ft. The expansion signals revival in Grade A office demand.

## **Dalcore partners with YOO for Philippe Starck-designed residences**

Dalcore collaborates with YOO to launch The Falcon on Golf Course Road. The ₹500 crore project features 96 ultra-luxury residences priced at ₹10 crore and above.

## **HSIIDC to revamp 6 km stretch of Pataudi Road ahead of Global City Project**

HSIIDC has been assigned to prepare a comprehensive plan for upgrading the 6 km stretch of Pataudi Road connecting several residential and industrial areas. The project, earlier under MCG, has been transferred after months of delay. The improvement work will support connectivity to the upcoming Global City development and address persistent civic concerns in the corridor.

## **NOIDA**

---

### **LG Corp establishes ₹1,000 crore R&D centre**

LG Corp will invest ₹1,000 crore to establish a Global R&D Centre in Sector Phase-II Industrial Plot. The 27,129 sq metre facility will create approximately 500 jobs.

### **RERA clears 22 projects for construction resumption**

UP RERA removed 22 housing and commercial projects from abeyance list, enabling construction of 8,856 units. Noida accounts for 5,663 units across six projects.

## **New Noida land acquisition to begin soon**

Land acquisition for Dadri–Noida–Ghaziabad Investment Region will begin using hybrid model across 80 villages. The 209 sq km township will be developed in four phases.

## **YAMUNA EXPRESSWAY**

---

### **Gaurs Group targets ₹2,000 crore revenue from new project**

Gaurs Group anticipates ₹2,000 crore revenue from its 12-acre premium housing project. The first phase includes approximately 950 units with mall and hotel planned.

### **Foreign investment transforms Yamuna Expressway**

Make in India initiatives have turned Yamuna Expressway into a foreign investment hotspot, boosting real estate demand in the region.

## **GREATER NOIDA**

---

### **Multi-modal logistics hub construction to begin soon**

Work on the multi-modal logistics hub in Greater Noida is set to commence, marking significant infrastructure development for the region.

### **6 stalled projects removed from UP RERA abeyance list**

Six stalled projects in Greater Noida have been removed from UP RERA's abeyance list, allowing construction to resume and providing relief to affected homebuyers.

## **PANCHKULA**

---

### **Trident Realty launches 199 plots targeting ₹1,200 crore revenue**

Delhi-NCR based Trident Realty has launched 199 residential plots in its 200-acre Panchkula development, expecting ₹1,200 crore in sales revenue.

## **DELHI**

---
